

## LOVE IS IMMORTAL

Love is pure energy and  
No matter how hard you try,  
You can never kill love  
Because pure energy can't die  
The feeling of love can fade,  
And the body can cease to give,  
But the energy created by love  
Is immortal and continues  
To live.

## SPECIAL DADDY

When we were little babies,  
you would hold us in your arms.  
We felt the love and tenderness  
keeping us safe from harm.

We would look into your eyes, and all the love we would see.

How did we get so lucky?

You are the dad chosen not just for me (Tynesia)

There is something special about a father's love,

Seems it was sent to us  
from someplace up above.

Our love is everlasting,  
we just want you to know  
that you'll always be special daddy  
and we wanted to tell you so.

## ACKNOWLEDGMENTS

Losing a loved one can create a loneliness like no other.  
But having relatives and friends who care can help to  
ease the difficulty of the days ahead. Words cannot  
express how grateful we are for every act of kindness  
shown do in our time of bereavement. We could not  
get through this without our Heavenly Father, friends  
and family. Special thanks to the Montgomery Cancer  
Center, Montgomery Cancer Center Radiology Team,  
Baptist East Nurses and all the friends and family who  
have been with us through this ordeal. God bless each  
of you.

### IN OUR HEARTS

We thought of you today but that is nothing new,  
We thought about you yesterday and days before that too,  
We think of you in silence  
We often speak your name  
Now all we have are memories and your picture in a frame.  
Your memory is our keepsake with which we'll never part.  
God has you in His keeping  
We have you in my heart.

Your Grandkids Toriyah and Tory**
