

Celebration of Life

A Farewell Tribute to

Perhaps you sang a lovely song, or offered a silent prayer.
Perhaps you sent a floral spray as your way of saying "We Care."
Perhaps you sent a telegram, or a heartfelt sympathy card.
Perhaps you came and sat with us to console our aching hearts.
Flowers, kind words, calls, or cards, we thank you so much, whatever the part.

I Am Free

Don't grieve for me
now I am free; I am following the path God laid for me. I took His hand when I heard Him call; I turned my back and left it all. I could not stay another day, to laugh, love or play. Tasks left undone must stay that way; I found peace at the close of the day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss; all these things, I too, will miss. Be not burdened with time of sorrows; I wish for you the sunshine of tomorrow. My life's been full, I've savored much: good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; lift up your heart and share with me. God wanted me now, He has set me free.

POSTLUDE

Dad If we could write a story, it would be the greatest ever told; of a Kind and Loving dad, who had a heart of gold. We could write a million pages, but still we want to be able to say, just how much we loved you and will miss you every day. We will remember all that you taught us; we are hurt but we will not be sad; because we know if we had a question for you, you will send down an answer and you will always be our Dad.

Love you always, you kids Cynthia, Willie, and Tony

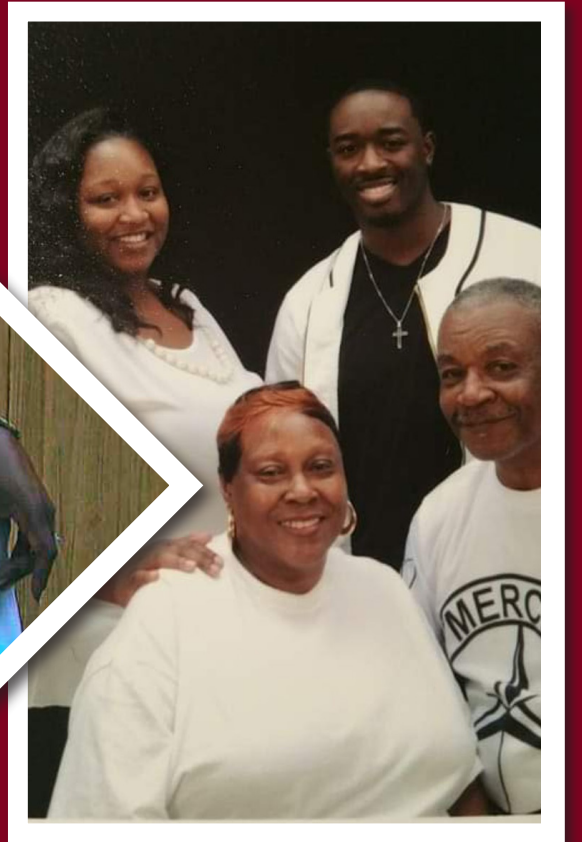

Order of Service

Wonderful Grandfather

We had a wonderful grandfather, one who will never really grow old. His smile was made of sunshine, his heart was made of solid gold. His eyes were as bright as shining stars and in his cheeks fair rose. You see, we have a wonderful grandfather, and that's the way it will always be. But take heed, because he's still keeping an eye on all of us; so let's make sure he will like what he sees.

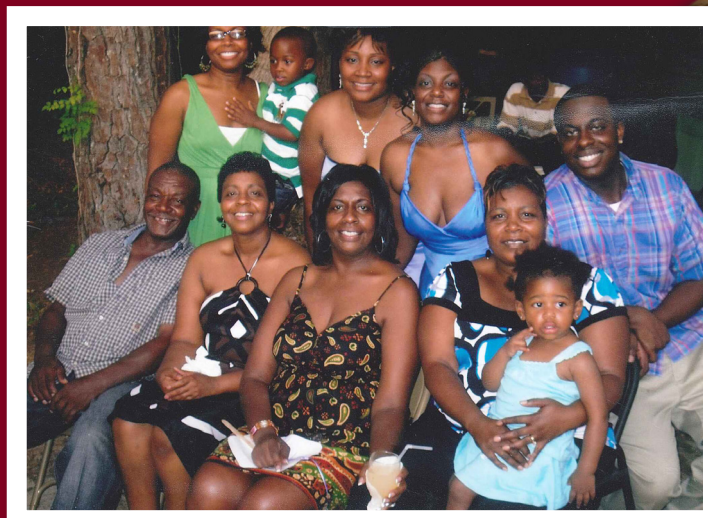

Love You, Your Grandkids

Beloved Brother

If tears could build a stairway, and memories a lane, we would walk right up to Heaven and bring you home again.

Love Always, Martha, Catherine, Pattie, Estella, Patricia
