*To My Godson Eric:*

Today is such a sad day for us. We will always miss you daily. I will miss you so much and the things I did for you. But I know now your life struggle is over. You are free now from your earthly strom. I'm proud to say you were my Godson and the things I did for you were the things only a mother would do. So Eric, take your rest now and enjoy your journey.

*Love Your Godmother, Marian*
