## Notice of Change of Address

*Dear Family and Friends,*

*I want you to know that I have moved. I received a call from God the Chief Architect, who informed me that my new house is ready and that I could move in immediately. I just didn't have time to give you notice.*

*You all know that I have been sending up timber in my own way, packing up a little each time and getting ready to go, but there were some minor things to do. There were some finishing touches that only the chief carpenter, Jesus Christ could do. I also had to wait for Him to let me know when He had finished. Some of the little things in the new home were too broad, too thick, or not long enough.*

*Well, my new home is finished, and it is such a beautiful sight to behold! It's located in an exclusive estate area and it sits behind a beautiful pearly gate just off a serene celestial shore. Of course, the streets are paved with gold, and everyday is Sunday here, I have been told. I have lived in several places before my new home was prepared, and none of the others could compare. There is peace, joy and happiness here. No strife or discontent. There is only sweet serenity everywhere. We could go on exploring my new home, but I see Jesus.*

*Let me give you my new address because I highly recommend you make plans to live here too.*

*Oh yeah, let me tell you this, family and friends, I don't have a telephone yet, but you just call God. If you don't have His number, He is listed in the Good Book on every page. Contact Him  
 ~Love, Ervin*
