Living to die is all a part of life,
but the difference is, this time,
I'm back home with my precious wife.
We're together again and watching over y'all
like the good old days.

So, please don't cry or feel sad,
just give Jesus all the praise.

We had a great ride together
And that I'll miss,

But I'm in a better place, now,
Full of Heaven's peaceful bliss.
So, instead of crying and mourning
Just remember and celebrate.

I'm a free soul, now,
No more pains or aches.
