Legacy of Love

A sister, a mother, a grandma, too.
This is the legacy we have from you.
You taught us love and how to fight.
You gave us strength.
You gave us might.
A stronger person
Would be hard to find.
And in your heart,
You were always kind.
You fought for us all
In one way or another.
Not just as a sister,
Not just as a grandmother and mother.
For all of us
You gave your best.
Now, the time has come
For you to rest.
So, go in peace;
You've earned your sleep.
Your love in our hearts, we will eternally keep.

Together Again

A reunion occurred in Heaven this week
Of the sweetest and most joyful kind.
As Fannie's spirit moved beyond this earth
Released from her mortal life.
And what a reunion it must have been!
A joy beyond our conceiving.
When she met her husband in Heaven again,
Ending years of dignified grieving.

Although we will miss them terribly
And will long for them with deepest grief.
We are reminded that love is more powerful than death
And this knowledge gives us comfort and peace.

We can still feel their love surround us;
Giving us a desire to continue on.
To try our best to live our lives well
In the ways they would have done.
For we know this isn't the only reunion,
Someday we'll be called back to be with them.
For life can lead us to greater happiness
With the Lord and our loved ones in Heaven.
