I NEVER LEFT YOU

I watch you every day. I am always very near.
I know deep in your heart you realize I am here.
I watch you while you sleep in your bed at home.
I hear you when you speak to me when you are on your own.
You cannot understand the reason why I have gone.
But I will never leave you, I am there to keep you strong.
Talk to me.. I hear you, though you may not see.
We share and unbroken bond that will always be.
Death won't keep us apart, for our love is forever.
Just remember me in your heart, and one day we will be together.
Live your life and live it full. Don't waste a single day.
Remember I am always with you every step of the way.

Our Daughter

There's not a day that passes
That I don't sit and cry.
And look to Heaven for a reason,
But still I don't know why.

Couldn't He have waited,
So we could have many
more years with you.

Forgive me, Lord, I then say,
All those thoughts are wrong.
There had to be a reason
And I know we must be strong.
You're in the arms of Jesus, now
And I know that you'll be fine,
But I wish with all my heart
That those arms could be mine.

Love Mom and Dad

Sister

Although I'm sad without you
And wish that you were here,
Within my heart your lovely smile
Still shines so bright and clear.

I treasure all those memories
Of growing up with you.
The secrets we would always share
The childish things we'd do.

My dearest darling Sister,
How can I find the words to say?
To tell you of how I miss you
Throughout each and every single day.

Living life without you
Is so very hard to bear.
And I'd give all I have to awaken
And to see your beautiful smile standing there.

*Love, Nikki, Dan, Megail, Vicky,
Farris, Wendy, and Nora Lee*

The Best Aunt

The greatest treasure in the world
Was having an aunt like you.

We're grateful for your kind support
The way you showed you cared.
For the thoughtfulness so often shown
And warmth you gladly shared.

We can recall all the things you did
And the gentleness of your touch.
You had a talent for letting us know
That you loved us all so much.

We pray that God will give us strength
And somehow get us through.
As we struggle with the heartache
That came with losing you.

OUR SECOND MOM

Love your Nieces, Nephews, and Godchildren

Our Mom

You always seem to know what's wrong
Before we have to say.

You seem to know what's on our mind
Or if we're down that day.

We never have to ask for help
You're always there to guide us.

If at times we need support.
You're always right beside us.

You've been our rock throughout our lives
Wanting nothing in return.

You've made us who we are today
Helping us grow and learn.

Thank you will never be enough
For everything you've done.

You're our friend, our counsellor,
Our guardian angel, but most importantly..

OUR MOM.

Love, Dantarious and Yana

My Everything, My Wife

You're my love, my life,
The air that I breathe.
You're my soul, my happiness,
The all that I need.

You're my light, my dark,
The stars in the sky.
You're my ups, my downs,
The reason I try.

You're my strength, my weakness,
The love from the start.
You're my heartache, my pain,
The beat of my heart

You're my tears, my joy,
The love that you bring.
You're my world, my galaxy,
You're my everything.
