**A MILLION TIMES**

*A million times I've thought of you  
A million times I've cried  
If love alone could have saved you  
You never would have died  
But if the world was mine to give  
I'd give all that and more  
To see you coming up the steps  
Or walking through the door  
To hear you laugh or see you grin  
To hold you in my arms again  
To be with you the same sweet way  
Would be to me my brightest day  
But a loving heart stopped beating  
Two smiling eyes closed to rest  
God broke my heart to prove to me  
He only takes the best*
