HEARTFELT THANKS AND APPRECIATION

*There's an open gate at the end of the road through which each must go alone;
and there is a light we cannot see; our Father claims His own.
Beyond the gate our loved one finds happiness and rest;
and there is comfort in the thought that a loving God knows best.*

We, the family of Christine Sinkler, are eternally grateful for every act of kindness shown during our time of bereavement. To those of you who reached out to us in love, prayers, and generosity of time, talent or resources, we extend our profound appreciation. For those of you who shared her journey, we thank you. May God's joy always surround you bringing peace and contentment in your life.

A Mother's Hand

*It's the first voice you recognized
The first touch and warm embrace
You're beautiful to her, no matter what the world thinks
Up late at night, she's thinking of you
Preparing a path for your future with love because it's true
She watched you grow, taught you to tie your shoes
Helped you read and some multiplication too
When times got tough she prayed for you
A mother's hand is never at rest
When faced with obstacles, she surpassed the test
A mother's hand will guide you through because she talked to the
Father and He lead her through
But she's always said don't try, just Do
There's no other like her
A mother's hand so gentle and sweet
Her direction so stern, but with love
It's a precious gift from God above
