

*Our Dearest Mother,*

**Ezebiara, Sierra, and Camron feel honored and privileged to have been your children. You always loved unconditionally, no matter what adversities you were going through, you saw the best in everything.**

**Even though you are no longer here with us, we could hear your voice, your laughter, and your constant reassurance that everything will be okay. Your smile will live on with us until the end.**

**Now seeing the best in your passing, we know it takes a strong woman to find her way in a foreign country and accomplish what you have in such a short life. Mummy you will always be our superhero!**

**You were the first person in our lives to show us what loving and honoring God will do in your life. You have always fought and earned everything, your children will do our best to continue your legacy.**

**You always loved us and were the best mother anyone could wish for.**

**We will miss you forever!**

## Her Story

On September 13th 1962 a beautiful bouncing baby girl was born to Francis and Hazel Bain in the beautiful Island of Nassau, Bahamas. They named her Flossita.

Flossita was the 4th of 9 children. Flossita was a very quiet child, but had the laughter that would make the grumpiest person smile.

Flossita got her education at Stehen Dillet Primary, S. C. Mcpherson Junior High and The Government High School. Finishing High School she embarked on a career in home care and then later in the hotel field where she worked Front Desk.

In 1989 Flossita moved to Ft. Lauderdale Florida to make a better life for her and her son Ezebiara. She worked a few odd jobs until finally moving into the medical field.

Flossita always felt she had two purposes in life. Firstly being a mother to her sons Ezebiara and Camron and her predeceased daughter Siera and Secondly caring for the elderly and both of these she did until her sunset on December 27th, 2020.
