

## IF TEARS COULD BUILD A STAIRWAY

*If Tears could build a stairway, and memories a lane.*

*I would walk right up to Heaven and bring you back again.*

*No farewell words were spoken, No time to say "Goodbye".*

*You were gone before I knew it, and only God knows why.*

*My heart still aches with sadness, and secret tears still flow.*

*What it meant to love you - No one can ever know.*

*But now I know you want me to mourn for you no more;*

*To remember all the happy times life still has much in store.*

*Since you'll never be forgotten, I pledge to you today~*

*A hollowed place within my heart is where you'll always stay.*

# HIS STORY

Sheldon Leon Daniel (Slim) was born on August 24, 1981 in Fort Lauderdale to the proud parents of Gwendolyn Daniel (Gwen) and the late Stedman Martindale (Leroy). Sheldon was the third of four children to Gwen and Leroy.

Like his siblings, Sheldon loved sports and played basketball during his childhood with Sunrise Middle School and Oswald Park. Sheldon highest education was at Dillard High School.

Always independent, Sheldon tried different business ventures as an adult and some in the community said he provided assistance to them. However, the greatest accomplishment was being a father to three- Kearia, Lil Sheldon, and recently A'mir.

As with many Floridians, Sheldon enjoyed the beach and music- hip hop and rap. Yet occasionally, Sheldon spoke of leaving Florida because of the trials and tribulations to live a more quiet life.

On February 23, 2021, Sheldon succumbed to the greatest enemy of mankind – death. Sheldon will remain asleep until awoken by Christ Command to Rise (John 5:25).

Sheldon leaves to mourn his loving mother Gwendolyn, children Kiera, Lil Sheldon, and A'mir. Brother Anthony Sampson, Sister Felicia Gooden, and host of cousins, friends, an uncle and aunt. Sheldon's father Stedman Martindale, Sister Arieale Daniel, Brothers Christopher and Samuel Martindale preceded him in death.

The family would like to thank everyone for their support during this difficult time.
