*Hey mom it's me the little Heffa you raised  
I turned out to be a little busy buzzing bumble bee :  
busy like you busy like me Always working making life  
out of what it should be . You did your best , your best  
was strong . Ppl ask how I'm doing . I'm just going  
alone. Along the way . Taking it one day at time .  
Knowing everyone has a expiration date & time . A time  
to come a time to go . A time not anyone could know.  
I'm choosing to be strong and walk on a positive path  
I've seen others take many times before . Yes it's hard to  
bare it's hard to take . Looking at my mom I can't even  
say . Rest In Peace bc your not sleep .  
You are Living through me !*

## I'M FREE

Don't grieve for me for now I'm free, I'm following the path  
God laid for me. I took his hand when I heard him call, I  
turned my back and left it all. I could not stay another day,  
to laugh, to love, to work or play, tasks left undone must stay  
that way, I've found that peace at the close of day if my part-  
ing has left a void, then fill it with remembered joy a friend-  
ship shared, a laugh, a kiss, ah yes, these things I too will  
miss. Be not burdened with times of sorrow, I wish for you  
the sunshine of tomorrow, My life's been full, I've savored  
much, Good friends, good times, my loved one's touch If my  
time seemed all too brief, Don't lengthen it now with undue  
grief Lift up your heart, rejoice with me, God wanted me  
now, He set me free.
