

Hello My Love,

I dream of your joy, your smiling face, seeing you playing with your grandson in your warm embrace. God doesn't make mistakes so I hold on to that notion everyday as memory that everything will be okay. My grandmother Madeleine must be rolling laughing in heaven with you hearing all the stories about your Ti Siren and Goudou Monster. Our little butterfly twins will always know you, today I saw them smile and I knew that it was you they were talking to. Thank you so much 1000 times over for any and everything that you've done for me accepting me and our little family you help me care for. I could never be the mother I am today without you by my side. You were definitely without a doubt one of the greatest I've ever known. You will always be my most favorite person and I pray I make you proud as you watch over me. I miss you always and forever you will always be in my heart.

Your Bae,  
Sabrina

# OBITUARY

Genevieve D. Seide was a phenomenal woman, an amazing mother, and role model with an infectious personality; she was loved and respected by everyone she met. On May 23, 2019 at the young age of 46 she passed away peacefully.

She was born in Brooklyn, New York to Claude Seide Sr. and the late Madeleine Pierre. At 14 years old, she moved with her parents and her brothers to Fort Lauderdale, Florida. She graduated from Dillard High School in 1990 then soon received her Associates degree in Science in Travel and Tourism from the Art Institute of Fort Lauderdale. She was also a certified tax and finance consultant for almost 15 years. Genevieve achieved every endeavor she came across with the most class, style, and grace. In 2018, she was diagnosed with breast cancer and even though it would be the hardest fight she'll ever come to face, the challenge was tackled head on. She stayed strong, never letting her illness hold her back from anything. Genevieve continued to be a great inspiration to everyone, and was always ready to help any and every one in need.

Genevieve leaves behind her children Sabrina Seide Gordon and Tatiana Seide whom she truly loved and adored, and her son-in-law Darriyn Gordon. She was a spectacular grandmother to her grandsons, Darren and Derrick and she was looking forward to the soon arrival of her twin granddaughters, Sarena and Daphnee Gordon. She cared deeply for her nieces and nephews: Yann, Kiahna, Claude Francois, and Anya Seide and her siblings, Marryo Seide, Claude Seide, Clifford Sajous, Claude-Marcelle Seide, and Laurent Seide. She also leaves behind her aunts and uncles, Dr. Jean Seide, May Seide and family, Marie Seide, Mr. Serge Turnier and family, Mr. Henri Seide, Mikaela Seide and family, Mr. Serge Pinard, Josette Pinard and family, Yanick Dupoux and family, Mr. Fritz Etheart, Micheline Etheart and family, Mr. Lionel Morisset, Jeanine Morisset and family. As well as over 30 cousins, nieces, nephews, friends, and children who she helped raised always keeping in touch treating them as if they were her own.

She was loved and adored by many people who knew her, even people who've met her for the first time. Genevieve was a loving and caring person that touched the lives of many. The battle is over, and heaven gained a beautiful angel. She will be missed by all and will continue to live on within us and will never be forgotten.

Mom,

To say that I miss you would be an understatement. I wake up each day waiting for your call, looking for your smile and waiting on you to make me laugh; we would talk for hours each day about any and everything going on around us, my friends would always say we talked like we were best friends. I see so much of you in myself and it makes me miss you more, so many of the lessons you've taught me throughout life have hit the hardest these past couple of days but I'm going to do everything in my power to make you proud of me. I will stay strong for our family and promise to always treat people how I would like to be treated. I always told you how much I loved you and appreciate all the things you've done for me in life but I wish you could know how much pain im in without you by my side. Everything happens for a reason and God doesn't make mistakes, now I know you're not in pain, you dont have to take anymore pills, no more chemo, no more radiation, now you can be free. I love you mom you were an amazing woman.

Love Your Tat-nana
