The Family of Mr. Ezere Ezekiel "Pee Wee" Washington, Jr.

A Friend

He was very private so a lot of things we would not know anyway. Of course he was out going with the fellows yet private at the same time, if that makes any sense lol... yah he would pull up and sit around and talk to you. He never changed on anyone, always had the same attitude all the time... You wouldn't know if he was in a bad mood, felt bad or not, he never changed on you... He would always tell you "he's ok"... and if you were not smiling or looking down, he'd say "smile", it'll be okay. He would help you whether he felt good or bad, he was willing to help you. Again, he was a "jack of all trades" A true friend to all he knew

In Loving memory from your family

*We all have to go but you
Slipped away from us knowing
It was your time.
No matter what we do or
What we say
We will always remember you
And in your crazy and nice ways
And your loving memories.*

We love you "Pee Wee"

*"Now is your time of grief,
but I will see you again and you
will rejoice, and no one will
take away your joy."*

~ John 16:22
