

Never Knew Your Time Was Near

*We had no idea your time to leave us was so near,
Everybody thinking we had more time with you my dear*

*When time drew near you were in so much pain
No more needles, chemo, radiation, feeding tube,
walker or care*

*You left us so soon and so fast
We are left crying and remembering the PAST*

*Never knowing your last breath was so near
We miss you much, Mommy, Daughter, Sister, Auntie,
Cousin and Friend*

*The day was so long and so sad
We sat around crying and trying not to be sad*

*You told Momma and Me I often Wonder Why Me
But that was only for God to see*

*Only you could hear the Angels trumpet blowing for you
so loud and clear*

*While we continued to wonder why and
shedding many a tear*

*Things changed so fast and drastically as we
sat crying and wondering why
Not knowing the Lord already had Andrae in his Arms*

*It's just Farwell and not goodbye because we
will see you again someday
Because none of us was meant to stay*

*My Dear Andrae we are left broken hearted and painfully
hurt, cause our Andrae time here on earth is no more*

I'm Still Here

*Please don't mourn for me
I'm still here, though you don't see.
I'm right by your side each night and day
And within your heart I long to stay.
My body is gone but I'm always near.
I'm everything you feel, see or hear.
My spirit is free, but I'll never depart
As long as you keep me alive in your heart.
I'll never wander out of your sight-
I'm the brightest star on a summer night.
I'll never be beyond your reach-
I'm the warm moist sand when you're at the beach.
I'm the colourful leaves when Autumn's around
And the pure white snow that blankets the ground.
I'm the beautiful flowers of which you're so fond,
The clear cool water in a quiet pond.
I'm the first bright blossom you'll see in the spring,
The first warm raindrop that April will bring.
I'm the first ray of light when the sun starts to shine,
And you'll see that the face in the moon is mine.
When you start thinking there's no one to love you,
You can talk to me through the Lord above you.
I'll whisper my answer through the leaves on the trees,
And you'll feel my presence in the soft summer breeze.*
