

"Release Me"

"Release me , let me go.

*I have so many things to see and do,
You mustn't tie yourself to me with tears,
Be happy that we had so many years.*

*I gave you my love and you can only guess,
How much you gave me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.*

*So grieve awhile for me, if grieve you must
then let your grief be comforted by trust.
Its only for a while that we must part
So bless the memories with in your heart.*

*I won't be far away, for life goes on,
So, if you need me, call and I will come.
Though you can't see or touch me, I'll be near,
and if you listen with your heart,
you'll hear all my love around you soft and clear.*

*And then, when you must come this way alone,
I'll greet you with a smile and say,*

"Welcome Home"
