

*When that Glorious time has come,  
Don't grieve for me or be sad,  
I just want you to remember,  
All the good times that we had.  
I am kind of tired and may be weak at heart.  
But God still gives me strength.  
Just like He did from the start.  
God is looking down on me.  
And showing me all His love  
While Heaven is shining so bright  
Just like the stars from above  
When that Glorious time has come  
The Angels will be on their way,  
Knowing my job here has been done,  
And keeping me safe in my resting place.*

*For a brief and fleeting moment,  
An Angel touched the ground with tiny wings and  
halo and sweet soft angel sounds blessing the lives of
