

NEVER FORGOTTEN

We think of things you used to say
And all that you would do
At some point, every single day
Our thoughts will turn to you.
To lose you was a bitter wrench
The pain cut to our core
We cried until our tears ran out
And then we cried some more.
This wouldn't be your wish for us
That we'd be forever sad
So we try to remind myself
Of the happy times we had.
We know we can't be with you now
And you can't be with us
But safe inside our hearts you'll
stay, that's where you'll always be.

Precious Memories

I am gone but please don't weep or grieve with greater despair. For my sickness came suddenly within a blink of an eye. I was swept over by Jesus in my heavenly home. Try not to look beyond tomorrow for there is so much for you to do. Carry on for me and let it be known!!!

A Tribute from the Family

We know that you're gone, and we should let you go. But there's so much we should let you know. We will try not to tie ourselves to you with tears, instead we will be happy we've shared so many years. You have given us love, one can only guess. How much you gave us in happiness. Its only for a while that we must be apart. We'll blessed the memories within our hearts.

Rest in Peace
