Weep Not

Weep not for me though I have gone into that gentle night.

Grieve if you will, but not for long.

Upon my soul's sweet flight.

I am at peace, my soul's at rest.

There is no need for tears.

For with your love I was so blessed.

For all those many years.

There is no pain, I suffer not.

The fear is now all gone.

Put now these things out of your thoughts

In your memory I live on.

Remember not my fight for breath

Remember not the strife.

Please do not dwell upon my death.

But celebrate my life.
