A Mother's Love

**There's no love like a mother's
Her heart is filled with care.
With Christ as her example,
Her Savior's love she'll share.**

**A mother's love is endless,
Not changing for all times.
When needed by her children
A mother's love will shine.**

**God bless these special mothers.
God bless them every one.
For all their tears and heartaches,
And special work they've done.**

**When days on earth are over,
A mother's love lives on.
Through many generations,
God's blessing on each one.**

**Be thankful for our mothers.
We only get but one
Who loves with higher love,
From power God has given
And strength from up above.**
