NOTICE OF CHANGE OF ADDRESS

Dear Family and Friends,

I want you to know that I have moved. I received a call from God, the chief architect, who informed me that my new house was ready and that I could move in immediately. I just didn't have time to give you notice.

My new home is finished and it's such a beautiful sight to behold.

It is located in an exclusive estate area and it sits behind a beautiful Pearly gate, just off a serene celestial shore. Of course, the streets are paved with gold and everyday is Sunday here, I have been told.

There is Peace, Joy, and Happiness here with no more pain and cares of the world to bear. No strife, nor discontent, there is only sweet serenity everywhere. Let me give you my new address, because I highly recommend you make plans to live here too:

*1 Gate to the City Avenue,
Godstown, Heaven 71717*

P.S. I don't have a telephone yet, but just call God. If you don't have his number, He is listed in the good Book on every page - contact him.

~ OBITUARY ~

David Mask, Sr, 79, of 514 Goldwater Street Shelby, North Carolina, passed on Wednesday, October 14, 2020 at home of his daughter Katrina and son-in-law, John Goodman surrounded by family.

He was born August 11, 1941 in Patterson Springs, NC to Hubert and Martha Lathers Mask. David grew up in Shelby, NC and graduated from Camp High School in 1959. After high school he worked in the textile industry laboring for more than 25 years at Ithaca Industries.

David enjoyed watching wrestling, playing cards and talking smack with his friends and family. He was known for providing life lessons with witty one liners, such as "a lie does not care who tells it". David was instrumental in starting the Mask family reunion after the death of his father in 1978. The reunion became the highlight of his summer activities. He truly enjoyed connecting with relatives, the late night card games and of course the endless jokes and chatter. David missed only one reunion during the history of the yearly event. He was a member of Ellis Chapel Church where he served as an usher until his health began to fail.

After David became ill, his daughter, Katrina son-in-law, John, and grandson, Aunte', provided dedicated care as primary caregivers. They cared for and supported him in every way possible. He also received dedicated care and support from the staff at Senior TLC. His family are grateful for the care and love they provided.
