**All of my family meant the world to me
I know I left so suddenly but now I'm free**

**Because I already knew
God will take care of all of you**

Even though I'm gone

I didn't leave you all alone

I left some very good memories

for you to carry on

Cherish those memories and

keep them close to your heart

Never forget me because we're apart

Full of life and love

I'll be watching you all from above.
