~ OBITUARY ~

**God looked around His Garden
And found an empty place.
He then looked down upon His earth
And saw your loving face.
He put His arms around you
And lifted you to rest.
He knew that you were suffering,
He knew you were in pain,
And He knew that you would
Never get well on earth again.
He saw your path was difficult
So he closed your tired eyes
He whispered to you "Peace Be Thine."
Then gave you wings to fly
When we saw you sleeping
So calm and free of pain,
We would not wish you back to earth
To suffer once again.
You've left us precious memories,
Your love will be our guide.
You live on through your child,
You're always by our side.
It broke our hearts to lose you,
But you did not go alone.
For a part of us went with you
On the day God called you Home**
