The Family of Mrs. Martha Bell Moses

Footprints

One night I had a dream. I dreamed I was walking along the beach with the Lord and across the sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand; one belonged to me, and the other to the Lord.

When the last scene of my life flashed before me, I looked back at the footprints in the sand. I noticed that many times along the path of my life there was only one set of footprints. I also noticed that it happened at the very lowest and saddest times in my life.

This really bothered me and I questioned the Lord about it, "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why in times when I needed you most you would leave me."

The Lord replied, "My precious, precious child, I love you and I would never, never leave you during your times of trial and suffering. When you saw only one set of footprints, it was then that I carried you."
