

Forever In My Heart

*The moment that you left me,
My heart was split in two;
One side was filled with memories.
The other side died with you.
I often lay awake at night
When the world is fast asleep;
And take a walk down memory lane
With tears upon my cheek.
Remembering you is easy,
I do it everyday;
But missing you is a heartache
That never goes away.
I hold you tightly within my heart
And there you will remain;
You see life has gone on without you;
But will never be the same.
