I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way.
I found that place at the close of day.

If my passing has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah yes, these things, I too, will miss.

Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good family, Good friends, good times,
A loved one's touch.
Perhaps my time seemed all too brief;
Don't lengthen it now with undue grief.
Lift up your heart and share with me
God wanted me now, He set me free.
