## ~ OBITUARY ~

### She Is Gone

*You can shed tears that she is gone or you can  
smile because she has lived.*

*You can close your eyes and pray that she'll  
come back or you can open your eyes and see all  
she's left.*

*Your heart can be empty because you can't see  
her or you can be full of the love you shared.  
You can turn your back on tomorrow and live  
yesterday or you can be happy for tomorrow  
because of yesterday.*

*You can remember her and only that she's gone  
or you can cherish her memory and let it live on.  
You can cry and close your mind, be empty and  
turn your back or you can do what she'd want:  
Smile, open your eyes, love and go on.*
