Reflections

*A million times I will need you.
A million times I will cry.
If love alone could have saved you,
you never would have died.
If all the world was mine to give,
I would give it, yes and more
to see you coming up the steps
and walking through our door.
To hear your voice, to see your smile,
to sit and talk with you for awhile,
to be with you the same old way
would be our fondest day.
Your love for me will never fade
but will comfort me through the coming days.*
