

## *They say there is a Reason*

*They say there is a reason, They say that time will heal,  
But neither time nor reason will change the way we feel.  
For no-one knows the heartache that lies behind our smiles,  
no-one knows how many times, we have broken down and cried.  
We want to tell you something, so there won't be any doubt,  
You're so wonderful to think of, but so hard to be without.  
We cannot bring the old days back, When we were all together.  
The family chin is broken now, but memories will live forever.*

### *We Thought of You in Love Today*

Brandon, we thought of you in love today, but that is nothing new.  
We thought about you yesterday and days before that too. We'll think of you in silence,  
We'll often speak your name. But all we'll have is memories and your picture in a frame.  
Your memories will be our keepsake, with which we'll never part.  
God has you in his keeping, We'll hold you in our hearts.
