

*If love alone could have saved you, you never would have died.
In life we loved you dearly. In death we love you still.
In our hearts you hold a place. No one else can ever fill.
They say there is a reason. They say that time will heal,
but neither time nor reason. Will change the way we feel.
We want to tell you something so there won't be any doubt.
You're so wonderful to think of, but so hard to be without.
It broke our hearts to lose you. But you didn't go alone.
Passed loved ones came to guide you the day God took you
home.*

Reflections

*God gives us each a gift of life
To cherish from our birth.
He gives us friends and those we love
To share our days on earth.*

*He watches us with loving care
And takes us by the hand,
He blesses us with countless joys
And guides the lives we've planned.*

*Then, when our work on earth is done,
He calls us to His side,
To live with Him in happiness
Where peace and love abide.*

*As you face this time of loss, may you be
comforted by gentle reminders of your loved one,
and by memories that live on in your heart.*
