

No Tears in Heaven

There are no tears in Heaven nor grief of any kind. You left me with many teardrops, I can't stop from crying. You are no longer present with the body, but I will cherish the laughs you left behind. I will keep you in my memory that will never close with time. They say there is a reason. They say time will heal; neither time nor reason, will change the way I feel.

I Love You,
Your Mom

Drequan, I love you no matter what was said. Even though I let time pass away, I still loved you dear. I sit and think about the times we laughed but ended with stares. You are now with Noah and your sweet Grandma, Cora dear. Just remember, I will never forget you and will keep your name alive. Rest on rich, Homie Quan. I will always feel your vibe.

I love you,
Aunt Moe

Until We Meet Again

*We think about you always
we talk about you still –
You have never been forgotten
and you never will.
We hold you close within our hearts
and there you will remain –
To walk and guide us through our lives
until we meet again.*
