ELDER PETER MCKINNEY, OFFICIATING

When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me.
I wish you wouldn't cry
The Way you did today
While thinking of the many things
We did not get to say.
I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too.
When tomorrow starts with out me
Please try to understand
That an angel came and called my name
And took me by the hand.
The angel said my place was ready
In heaven far above
And That I would have to leave behind
All those I Dearly Love.
But When I walked through Heaven's Gates
I felt so much at home
When GOD looked down and smiled at me
From his golden throne.
He said This Is Eternity
And All I promised you
Today for life on earth is done
But Here it starts a new.
I promise no tomorrow
For today will always last
And Since each day's the exact same way
There is no longing for the past.
So When Tomorrow starts without me
Do not think we're apart
For every time you think of me
Remember I'm right here in your heart.

- I AM HERE -

I made it home just in time, we were
In different countries, but yet entwined.
It seems I was gone almost forever,
We cherish these times, we have together.
I saw the days that you were at your best,
But you saw the sunrise, and even sunsets.
There were times we smiled, times I saw tears,
It doesn't matter, through it all, I am here.

Sister Dorothy

- BROKEN WING -

We shared a life together, you were my big Sis.
You have taken your flight, you will surely be missed.
You fought the good fight, your work here is done,
You completed your task, and your race is won.
Life these days, not one of the better things,
You were only here because of a broken wing.
Your wings are fixed, everything is alright,
Home now Sis, you took your flight.

Bro. Charles

-IT'S OK -

I saw your sickness, you endured your pain,
Somedays bright skies and sometimes rain.
Even in the storms, when the winds rocked your boat,
You were our little soldier, you still stayed afloat.
Your tears were hidden, but your heart revealed,
You were getting tired, you were ready to be healed.
Old death is not the end of this story,
You've just stepped in the dressing room for glory
It's OK!

Your brother,
Knigel
