### - *When I Must Leave* -

When I must leave you for a while,  
Please do not grieve and shed wild tears,  
And hug your sorrow to you through the years.  
But start out bravely with a gallant smile  
And for my sake and in my name,  
Live on and do all the things the same.  
Feed not your loneliness on empty days  
But fill each working hour in useful ways,  
Reach out your hand in comfort and in cheer,  
And I in turn will comfort you and hold you near,  
And never, never be afraid to die  
For I am waiting for you in the sky.
