*The pain is hard to bear,
But angels, they are needed
In heaven everywhere.
But he took a special angel,
To sit there, side by side,
One to trust and cherish,
To talk to and confide.
For angels are a blessing,
In God's loving and caring hands,
Although we will always miss you
It's he who understands.
We know you're here beside us
We will never feel alone,
With an angel now to guide us
Since the good Lord took you home.*

Benediction

*May you walk in sunshine and God around you flow,
For the happiness you gave us, no one will ever know.
It broke our hearts to lose you, but you did not go alone.
A part of us went with you the day God called you home.
A million times we needed you, a million times we cried.
If love could only have saved you, you would've never died.
The Lord be with you, as you Rest in Peace.
Amen!*
