RECESSIONAL

— *To Our Daughter* —

We said a prayer for you
To thank the Lord above
For blessing us with the joy
Of your tenderhearted love.
We thanked God for the caring
You've shown us through the years,
For the closeness we've enjoyed
In time of laughter and of tears.
We love you with all our hearts
And you are so special to us
And we bless the Lord for giving us
The best daughter there could be.

Love Always, Your Parents

— *For Our Auntie* —

We'll miss your kindness and your love, we'll miss your happy smile,
And we promise that every single day we'll remember for a while.
We shared something truly special, something that can never be replaced.
A bond that the years can never fade, memories that time cannot erase.
The day you left and gained your wings, our hearts just broke in two.
We wish you could have stayed with us, but Heaven needed you.
You left us with the memories, and we love you dearly still
No matter how much time goes by, you know we always will.
To lose you brings such sadness, but we know that you live on,
In our hearts and in memory, shines the guiding light you shone.
You were a very special person, with kindness in your heart
And the love we had together, grows stronger now we're apart.
We know we cannot bring you back, although we wish it every day,
But a piece of us went with you, the day you went away.
So, sleep now softly angel, in your eternal rest.
To have called you our Auntie, we were truly blessed.
