## *Dad oh Dad, My Sweet Dad*

*Dad was a great man. If you knew my dad you knew that he was a man with a plan. What was his plan you say? His plan was to go live with God day by day. My dad imagined him and God hand and hand because he believed that he could accomplish his plan. Dad oh Dad, you will be missed, but we know you got your wish. My Sweet Dad.*

*Our memories are what we have left, and a lesson we will not forget. The time has come when time is no more and all that's left was once before. The memories so dear and true are those memories of you and us. Although we fell and stumbled at times, all those hills were necessary climbs. All the times when your heart shined through are the greatest memories, we have of you. We will always remember you, brother of ours. In our heart we will keep you, so we will be fine. We will go forward with our heads up high. It might be hard, we can't lie. But in our hearts, you will be moving forward within us.*

*Niece, Tasha, and Ketya*
