

To A Loving Mother

Although our worlds are different now

Or is that just how it seems

For I see you when I close my eyes

Because you're always in my dreams

I know you're up in Heaven

And looking down on me

And when I look up at the stars

I know that's where you'll be

Even though I'm missing you

You're not too far away

Because my heart is full of memories

And I treasure them every day

Our time on Earth was special

But it's only the very start

So Mom please keep watching over me

While we're not far apart.
