REV. DR. MARVIN CRAWFORD, OFFICIATING

Her Life's Journey

“To everything there is a season and a time to every purpose under heaven. Ecclesiastes 3:1 & 11. “He has made everything beautiful in its time”.

A Time to Be Born

Sister Freddie Peters Green was born April 18, 1948 in Webster County, GA. She was the 10th child born to the late Thomas Roosevelt and Minion Huckaby Peters.

A Time to Plant

Freddie grew up in a Christian home, and Faith was the foundation. At a very tender age she joined Turner Chapel AME Church (Red Hill) now New Turner at Bethel, Parrott, GA. Where she was active in the music and youth ministry. Later in life, as an elementary school teacher, she sowed seeds in Terrell, County, and the Athens-Clarke County School District for over fifteen (15) years.

A Time to Pluck Up What Is Planted

She received her elementary and secondary education in Webster County and Dalton, GA, school system graduating as a member of the class of 1966, Ida S. Lowery High School. Freddie attended Fort State College (Now Fort Valley State University) Fort Valley, GA where she obtained her Bachelor of Science degree in Elementary Education and later Certification in Early Childhood Education. After moving to Athens, she continued her education through Graduate School in Education at the University of Georgia Athens, GA. She was also a member of the Athens Alumni Chapter of Delta Sigma Theta Sorority Incorporated.

A Time to Build

In 1970, she was joined in Holy Matrimony to Donarell R. Green III, and their union was blessed with three sons. As an Educator, she had a special gift to assist children. She played an integral role in caring for her nieces and nephews. In later years she provided a solid tutorial season for her boys and grandchildren Educational journey.

A Time to Heal; and a time to Breakdown

Throughout her life she faced many challenges. In her time of sickness, she amazingly expressed her deep-rooted faith and motherly wisdom. She refused to allow circumstances, or even her pains, separate her love for the Lord, children and grandchildren, or family.

A Time to Keep Silence and A Time to Speak

She served her community and mankind through sisterhood scholarship, service, and education. She exercised her gift of singing, nurturing, and helping when and where she could. The work that she has done speaks for her.
