A Letter from Heaven

When tomorrow starts without me And I'm not there to see; If the sun should rise and find your eyes All filled with tears for me. I wish so much you wouldn't cry the way you did today; While thinking of the many things We didn't get to say. I know how much you love me, as much as I love you; And each time that you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart for every time you think of me,
I'm right here in your heart.
