## *"Till Death Do Us Part"*

When life seems a blur, And I can't quite believe That I'm living without you and you were taken from me, I sit back and think of the memories we shared, All the laughs that you gave me and the times that you cared. 'Til death do us part. That's true in our case. I miss you so much, your voice and your face.

Time is a healer. I can't say that it's true, but life does go on, which means without you. When it all gets too much And I wish you were here, I feel thankful that I met you, And I hold you close, my dear.

Your Wife, Jessie Nell
