

For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place. When I was woven together in the depths of the earth, your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be.

The Life and Legacy of Kaleb Nigel Way began on September 25, 2013, as the fifth child to Sean and Kimberly Way. He was baby brother to Kendal Jordan, Karden Garsceer, Sean Jerome II & Seth Jackson, and big brother to Sydney Nicole.

Master Kaleb was diagnosed with a rare genetic disorder shortly after birth known as Trisomy 13. He was given a prognosis of maybe 3 months...1 year at best. Yet Kaleb went on to write his own story over the last 7 plus years. His life was one of faith, strength, determination, joy, and love. A journey like no other, touching many hearts near and far.

Kaleb was a member of St. Philips Episcopal Church, where he enjoyed a duet blowing raspberries to the sounds of angelic hymns played by the pipe organ. He was a student at Neptune Beach Elementary, where his life was enhanced through social interactions, physical and occupational therapy, as well as hearing and vision therapy. Kaleb loved the sun, water, and nature. And for his 7th birthday, he found a new love in roller skating.

Kaleb leaves to cherish his memory maternal grandparents Clyde and Mary Jackson, paternal grandparents Gertrude Way (deceased) and James Raysor. Aunts Erica Franklin (Charles), Petrina Floyd, and Celeste Raysor. Uncles Roland Jackson, Kevin Jackson, Bertram Way, and Jimmy Raysor (deceased). Devoted Godparents James and Pam Pierce. Special Great Aunt Daisy Johnson, and a host of great aunts and uncles, cousins, and friends.

We are most thankful for the perfect love that could only be found through Kaleb's perfectly imperfect life!!!
