

*Do not stand
By my grave, and weep.
I am not there,
I do not sleep—*

*I am the thousand winds that blow
I am the diamond glints in snow
I am the sunlight on ripened grain,
I am the gentle, autumn rain.
As you awake with morning's hush,
I am the swift, up-flinging rush
Of quiet birds in circling flight,
I am the day transcending night.*

*Do not stand
By my grave, and cry—
I am not there,
I did not die.*
