

YOU MEANT SO MUCH

You meant so much to all of us
You were special and that's no lie
You brightened up the darkest day
And the cloudiest sky

Your smile alone warmed hearts
Your laugh was like music to hear
I would give absolutely anything
To have you well and standing near

Not a second passes
When you're not on our minds
Your love we will never forget
The hurt will ease in time

Many tears I have seen and cried
They have all poured out like rain
I know that you are happy now
And no longer in any pain.
