

LOVING TRIBUTE TO OUR

Father

Goodbye, Dad, I had to say. A few days ago, on a warm summer day. I'll remember the good times and try not to be sad. Saying goodbye still hurts so bad. I miss you more than I can express. My Love for you will never grow less. I keep trying to imagine how I will go on.

I know you're in heaven above, looking down on us with all your love, only to whisper in our ear. Remember that I'll never stop loving you, my wonderful daughters.

I'll always remember the good times we had. Remember the man you are and will always be my kind and devoted dad. If I need to talk to you. I'll just sit and pray. One day we will be together again to talk about all the places we have been. Until then, I will treasure having you as my dad.

OBITUARY

Christopher John Wynn was born in Camden, New Jersey, on 8/25/1966 to Lester Mae and Thomas Lee Wynn. The eldest son of 4. The family relocated to Middleburg, FL when Christopher was 17 years old. Christopher joined the Army right out of high school but chose another career path shortly after due to medical reasons. In his early twenties, he met and married Lutricia. Their union brought forth the birth of Sheanta and Sheocia. Although the marriage was short. Lutricia and Christopher reminded friends over the years. Their friendship was unbreakable, and he spent his last days being cared for daily by his daughters and Lutricia.

Aside from being a devoted father. Christopher was a dedicated foreman for Kirkland enterprise. One of his favorite things to do while driving around town would be to point out the many roads, sub-divisions, sidewalks, and other structures that he helped create. His devotion to his work was much apprenticed that even when he was diagnosed with cancer, his job wanted him to just sit at the job site and mentor the up-and-coming workers. Although this was an amazing ask, his health did not allow it.

Christopher chose to use his last moments, spending every moment he could with all of his grandkids. From taking them to school, watching over the little ones, and sneaking out with his twin Da'Sean to eat breakfast. Being the primary caretaker while his health allowed for Kevin Jr (KJ) gave him a great deal of purpose. Taking trips with his daughters and family also gave him much joy. One of the last trips he took while his health allowed it was to Panama City. Each morning he woke up with the Sunrise. Spent each day on the beach with his family. He commented that it was the best he had felt in a long time, and he enjoyed every moment. At the age of 55, Christopher rededicated his life to Christ and became a member of the Paxon revival.

He was preceded in death by his mother Lester Mae Wynn; Father Thomas Wynn, sister Winnifred Wynn, and two brothers.

Christopher is survived by his daughter Sheanta Anderson, Sheocia Scott (spouse Kevin Scott), stepson Alex Rhodes, stepson Michael Rhodes, stepdaughter Destin Hunter Stepson Anthony Tent; Grandchildren Shaniya, Gabrinna, Caleb, Da'Sean, Katherine, Trinity, Eli, Kayden, and Kevin Jr. Niece LaToya Nesmith (spouse Erskin Nesmith). Ex-wife and best friend Lutricia Johnson and a host of other relatives and friends.
