

## *Miss Me But Let Me Go...*

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom-filled room  
Why cry for a soul set free?

Miss me a little-but not too long  
And not with your head bowed low  
Remember the love that we once shared  
Miss me-but let me go

For this is a journey that we all must take  
And each must go alone.  
It's all part of the Master's plan  
A step on the road to home

When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss me but let me go.
