

"Heavenly Father, I thank you for this day. I depend on you to give me strength and healing. I trust you to give wisdom to the doctors and staff that I may be strong and record. Thank you for the love of my mother, family, and friends. Help me Lord Jesus to whole
IN JESUS NAME,
AMEN
Pastor Billy D. Houze

Last night while I was trying to sleep, my son's voice I did hear,
I opened my eyes and looked around but he did not appear.
He said, Mom you've got to listen, you've got to understand
God didn't take me from you Mom, He only took my hand.

When I called out in pain that morning, the instant that I died,
He reached down and took my hand, and pulled me to his side.
He pulled me up and saved me from the misery and pain
my body was hurt so badly inside, I could never be the same.

My search is really over now, I've found happiness within.
All the answers to my empty dreams and all that might have been.

I Love you so and miss you so, But I'll always be nearby
My body's gone forever, but my spirit will never die
And so you must go on now live one day at a time
Just understand, God did not take me from you . . .
He only took my hand
