We are closely monitoring information regarding the ongoing coronavirus (COVID-19) situation. The health and welfare of our clients and employees are of primary concern. Our decisions are informed by and rely heavily on the guidance provided by the US Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO), and state and public health officials.

We are taking precautions to ensure the health of all event participants. Everyday prevention measures include frequent hand washing, staying home when sick and covering coughs and sneezes.
