

In these unprecedented times, your well-being is of the utmost importance to us. We'd like to highlight select Partners and offers that may be of special use to you during this time.

Staples

Getting office supplies to remote team members is a challenge. Staples has *free, next day shipping to homes* with discounted rates for Passkey members. [Click here](#) for more information.

Intrado

Remote work requires a video conferencing solution. Through our relationship with Intrado, you can get exclusive rates on WebEx and other conferencing solutions. [Click here](#) for more information.

1-800-FLOWERS

We are all missing important events and milestones. You can show your love, caring, and appreciation by sending gifts and flowers – with 20% off – using code FCCS. [Click here](#) for more information.

Staples Technology

Do your employees have the technology to work effectively from home? Do they have the laptops, printers, and tech accessories they need? Staples technology can meet those needs with exclusive Passkey pricing. [Click here](#) for more information.

10 Techniques for Leading a Home-Based Team

Brought to you by Future Point of View

Leading, managing or overseeing a group of home-based workers is very different than having everyone at the office. Here are 10 tips to maximize your team's performance while working remotely. [Click here](#) for more information.
