Tommy Bahama®

HOME

Come home to the relaxed style and comforts of Tommy Bahama. Inspired by a lifetime of island hopping, Tommy Bahama furniture conjures up an island-state-of-mind. Crafted in maple solids and veneers, and select hardwoods, this bedroom, dining, occasional and upholstery collection captures the essence of romantic island hide-away retreats.

Envelop yourself in the lush tranquility of the Conch Cottage, Siesta Sleigh, Palm Frond Canopy and Island Tropics Beds. Savor the tropical blends of the Sunrise Sideboard and Dining Table. Bask in the glow of the Sunset Hutch, Buffet and Dining Table. Even the fabrics of the chairs tip their Panama hats to palm trees, dragonflies and blue marlins.

Antiqued finishes in distressed ebony and medium brown reflect the natural ease and relaxing lifestyle of the islands. With furniture this beautiful and comfortable you may never want to leave home, because as Tommy Bahama says... *Life is one long weekend.*

WHERE DREAMS BECOME A REALITY

BEDROOM

The relaxing, dreamy qualities conjured by tropical climates infuse every aspect of Tommy Bahama's bedroom collection. Simple, horizontal lines reminiscent of shutters are framed within the flowing wave-like curves on the head and foot boards of the Conch Cottage Bed. While the leather accented, metal framed Palm Frond Canopy Bed invites you to drift into the land of dreams shaded by the protective fronds of the island's signature trees.

Framed between stylized pineapples, the contours of the Island Tropics Bed suggest the rising moon. And the intricate rattan-inspired weave of the Siesta Sleigh Bed wraps you in the collection's lush comforts. The elegant Conch Cottage, scallop-shelled Islander and Bungalow Landscape mirrors heighten the effect and reflect Tommy Bahama's panache for marrying traditional beauty with modern functionality. Bring home bedroom furniture by Tommy Bahama and start living your dream.

THE PLACE WHERE WE WOULD RATHER BE

DINING

Perfectly blending Old World charm with modern conveniences and comforts, Tommy Bahama serves up a collection of dining room furniture that brings the places you would rather be into your home. Pineapples, the symbol of welcome in island cultures, provide the focal point of the round Sunrise Dining Table and accentuate the lines of the spacious Sunset Rectangular Table.

Lush, antiqued finishes add a touch of spice and flavor to every dining experience. Warm browns give depth and character to the Sea Breeze Table's simple lines and exquisite hand-turned legs. The Sunset Hutch and Buffet combine with the Sunrise Sideboard to make entertaining as easy as it is enjoyable. Tommy Bahama, because home is the place you'd rather be.

FURNITURE CARE

Wood and Cast Resin

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish — always rub with the grain; a mild glass or household cleaner may be used on cast resin.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol), and abrasives.

Brass and Metal

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly — do not use a brass cleaner, as it will damage the lacquer finish.

Wicker

- Vacuum gently or brush with a soft bristle brush.
- Clean acrylic fabrics with mild soap and water.
- Fluff cushions periodically to maintain original fullness.
