

Front Gate Cashless Registration Terms:

By checking this box, I authorize Front Gate Tickets to associate a credit card with my wristband for payment purposes and agree to the terms of sale. I verify that I am the authorized card holder. I understand that purchased items are NON-REFUNDABLE and NON-EXCHANGEABLE.

We DO NOT store any financial data, including your card number and billing details, on the wristband. The PIN you create upon registration will always be required to make a purchase, so no one else will be able to make purchases with your wristband without your unique PIN. Your card will not be charged upon registration.
